**Francis Doyle : Searching the Law: A Selective Bibliography of State Practice Materials in the 50 States** before purchasing it in order to gage whether or not it would be worth my time, and all praised Searching the Law: A Selective Bibliography of State Practice Materials in the 50 States:

This revised two-volume set reproduces the easy-to-use, logically-organized format of *Searching the Law* for each of the 50 U.S. states. Arranged by state and by topic within each state, it features: a complete list of all the legal research materials available for each state jurisdiction; thousands of citations to the legal literature of each state; materials applicable to more than one topic listed under each topic; repeated listings under each state and topic where they apply; and author, title, publisher, format, and the latest known supplement for each citation. *Searching the Law-The States* is the companion text to *Searching the Law*. Together the sets form one of the most comprehensive, logical legal reference sources available. Published under the Transnational Publishers imprint.

About the Author Francis R. Doyle is Professor of Law and Law Librarian at Loyola University of Chicago.
