You walked into the hospital but came out paralyzed. You trusted the doctor but have a nagging feeling that something went wrong. You're not getting the answers you need from your doctor and are worried that something bad happened. What do you do? Before you go calling every lawyer in the Yellow Pages, you need to become informed to learn how lawsuits like these work in New York. Read the book and become informed. Then, pick up the phone and call. The Law Office of Gerald M. Oginski, LLC 25 Great Neck Road | Suite 4 | Great Neck, NY 11021 516-487-8207 | oginski-law.com
