Yehuda Zvi Blum : Secure boundaries and Middle East peace: In the light of international law and practice, (Hebrew University of Jerusalem. Faculty of Law. Institute ... Research and Comparative Law. [Publications]) before purchasing it in order to gage whether or not it would be worth my time, and all praised Secure boundaries and Middle East peace: In the light of international law and practice, (Hebrew University of Jerusalem. Faculty of Law. Institute ... Research and Comparative Law. [Publications]):

1 of 1 people found the following review helpful. Indispensable work about borderlines in Middle East. By Bruno Bernardo Yehuda Blum put all his ability to argue in this book. Even being an old work, your words are so current that seems to have been elaborated a few time ago. Hardly a book that discusses political facts keeps current for a long

time. A source of research indispensable for anyone who wants to get better knowledge about borders in Middle East.
