Henry J. Bailey, Richard B. Hagedorn : Secured Transactions in a Nutshell Nutshell Series) (4th ed) (In a Nutshell Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Secured Transactions in a Nutshell Nutshell Series) (4th ed) (In a Nutshell Series):

The new version of UCC (Uniform Commercial Code) Article 9 on secured transactions is significantly different from the prior version. To date, 17 states have enacted the 1999 version. The text also contains extensive coverage of the prior version because the majority of states have not yet adopted the new one. Also provides an overview of the security agreement; relationship of parties prior to default; perfection of security interest; bankruptcy; and the enforcement of security interest.
