Great little guideBy RandomRoosterJDHits many of the necessary high points of Article 9 of the UCC. I recommend if you're taking a secured transactions class.1 of 1 people found the following review helpful. This is a must for ST. ST is a ...By MPThis is a must for ST. ST is a bit overwhelming at first but looking at the big picture first helps understand the small subparts, and this chart definitely helps with that. I got an A on this course thanks to this chart and the Secured Transactions QA.

BarCharts updated Secured Transactions security guide covers the latest additions to debtor/creditor laws. Like the previous

guide, each page features a color-coded format that thoroughly breaks down different elements of secured transactions; key definitions and law citations are provided for further understanding. No law student or practicing attorney should be without this!
