An Effective Method of Torture.By steve bozeman jrWhen I set out looking for a means to exact 4 months of agonizing pain on myself I thought, Environmental Law Statutes. Unfortunately, this edition is well organized and concise.0 of 0 people found the following review helpful. Five StarsBy KevinGreat reference when you need to know the intent and details behind the regulations.0 of 0 people found the following review helpful. Four StarsBy K. TattoliAs good as a required law school text book can be.

This work contains the statutes one may confront in a law school environmental law course. Topics covered include public health, agriculture, commerce, mineral lands, and navigable waters.
