Roger E. Schechter : Selected Intellectual Property and Unfair Competition, Statutes, Regulations Treaties, 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised Selected Intellectual Property and Unfair Competition, Statutes, Regulations Treaties, 2009:

0 of 0 people found the following review helpful. Flimsy and bad index.By DobiewankanobieThe index on the back side of the book is not designed well. It is just like a normal procedural book, with a blackened stripe on the edge of the page in which the section starts, and an arrow on the back cover that defines what is in the pages that have the black stripe in that location. But ALL of the pages within a section should be blackened, here it is only the first page. It

is hard to find what they are directing you to. Also, the same index is a little off center. When the back page points to a certain page, the arrow is about 1/2 inch off, making it utterly confusing. The pages are flimsy and it is hard to hold. I have seen better procedural books.0 of 0 people found the following review helpful. the only book you'll need for learning US IP lawBy Matt Soperthis is an edited statute book with the relevant copyright, trademark and patent statutes. I use this book daily and it is a great desk reference. It is smart to double check the law, no matter how often you cite it in a day. I annotated my copy during law school with the key cases and have made the book and even better tool for practice.0 of 0 people found the following review helpful. Five StarsBy Abigail Paffordperfect accommodation for my patent law book- the statutes at my fingertips

The new edition of this one-volume compilation of statutes for law students has been updated to include the most significant developments of the past year. Three of the new acts that will be incorporated in the 2009 edition are the Enforcement of IP Rights Act of 2008 (which created the post of IP Czar); the Webcaster Settlement Act of 2008; and the Vessel Hull Design Protection Amendments of 2008.
