Useful for law school purposes as well as for those wishing to take the MPREBy MargaretLaw school books, as boring as they may be, generally do not give very straight forward rules. This book, which contains the Model Rules, amongst other ones, definitely gives straight forward rules. Although

quite tedious to read, this is a must-have for law school students, as well as anyone else wanting to become an attorney. This book, if actually read, will provide a lot of insight, and help with one taking the MPRE, as well as the Professional Responsibility course, offered in law school.0 of 0 people found the following review helpful. Good Law Office Reference BookBy Law Clerk BuyerThis book is necessary for Professional Responsibility Class. This is the rules of professional responsibility. Every practicing lawyer should also get a copy of this book to have for reference in their office. I only leave 4 and 5 star reviews for products that I would purchase again and recommend to friends and family.2 of 2 people found the following review helpful. Professional Responsibilities of LawyersBy Andrew AThis text explains the various rules of Professional Conduct required for attorneys. It is a great book to learn about the various codes of ethics and rules that attorneys must abide by. Also, it is a great study aid for any law student who is taking the MPRE (Multi-State Professional Responsibility Exam).

Professional responsibility is one of the most rapidly changing fields in American law. New rules, not just new cases, emerge each year. Covering national as well as the New York and California standards on professional responsibility, this edition collects the most up-to-date and important standards that govern judicial and legal ethics. The book provides students, faculty, the practicing bar, and judges an essential examination of the many professional responsibility issues they will confront on a daily basis. The standards include the ABA Model Rules of Professional Conduct, The American Lawyer's Code of Conduct, California Rules of Professional Conduct, New York Code of Professional Responsibility, Aspirational Goals on Lawyer Advertising, and ABA Canons of Professional Ethics.
