By Margaret Law school books, as boring as they may be, generally do not give very straight forward rules. This book, which contains the Model Rules, amongst other ones, definitely gives straight forward rules. Although quite tedious to read, this is a must-have for law school students, as well as anyone else wanting to become an attorney. This book, if actually read, will provide a lot of insight, and help with one taking the MPRE, as well as the Professional Responsibility course, offered in law school. 0 of 0 people found the following review helpful. Good Law Office Reference Book. By Law Clerk Buyer. This book is necessary for Professional Responsibility Class. This is the rules of professional responsibility. Every practicing lawyer should also get a copy of this book to have for reference in their office. I only leave 4 and 5 star reviews for products that I would purchase again and recommend to friends and family. 2 of 2 people found the following review helpful.
