Aleksandra Nechaeva : Semeyno-pravovaya zashchita interesov rebenka v Rossii (Russian Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Semeyno-pravovaya zashchita interesov rebenka v Rossii (Russian Edition):

Dlya sovremennoy Rossii kharakterno povyshennoe vnimanie k interesam rebenka i semeyno-pravovoy sfere.

Slozhnost' ikh opredeleniya zatrudnyaet zashchitu kak prav tak i interesov nesovershennoletnego chlena sem'i. Poetomu v nastoyashchey rabote predprinimayutsya popytki poiska priznakov takogo interesa, kotorye zavisyat ot usloviy i tseyey razvitiya rebenka. S drugoy storony, ponyatie "interesy rebenka" otlichaetsya mnogoobraziem, poskol'ku svyazano s interesami roditeley, gosudarstva. Vmeste s tem, v rabote rassmatrivayutsya sposoby zashchity interesov rebenka kak sub"ekta semeynykh pravootnosheniy, putem obespecheniya prava dostupa v sem'yu, gde grubo narushayutsya ego interesy; pri otobranii detey u roditeley; pri pravovoy okhrane detstva; osushchestvlenii deyatel'nosti organov opeki i popechitel'stva, upravomochennykh Rossiyskim gosudarstvom na zashchitu nesovershennoletnikh, lishivshikhsya roditel'skogo popecheniya. Predmet vnimaniya avtora - zashchita lichnykh interesov rebenka v sem'e po Frantsuzskomu Grazhdanskomu kodeksu, Grazhdanskomu ulozheniyu Germanii, Semeynomu kodeksu Respubliki Azerbaydzhan.
