2 of 2 people found the following review helpful. Excellent practical guideBy CustomerI found this a very practical guide filled with useful tips for a layman setting about probating an estate. It neither underestimated the work involved

nor made it seem impossible for a layman. Very helpful information about the law in layman's term. I found it difficult to find this kind of information- this is a most useful help. 1 of 1 people found the following review helpful. A great resource
