I love reading about the law and this book definitely helps me achieve those ends.Thanks again !0 of 0 people found the following review helpful. ExcellentBy Joel GossnerGreat book in a great series. I found the multiple choice to be very helpful for my exam, and I think a problem or two was almost verbatim from this book. I recommend using the essays to practice writing your answers, and then have some answer outlines to bring into the exam with you--tailoring it to the fact pattern (that is, if your exam has an essay component; mine had both MC and essay)13 of 14 people found the following review helpful. How To Pass EvidenceBy Julia SimmonsEvidence can be very difficult, especially Heresaythis book had over 100 MBE Mult Choice Question and answer, most of them dealt with Heresay. Very Very helpful,(along with law in a flash flash cards) I did every question, and reviewed the ones I got wrong.Scored TOP GRADE IN THE CLASS ON MY FINAL

Contains many questions and answers for exam practice
