**Daniel Sitarz : Simplified Divorce Kit** before purchasing it in order to gage whether or not it would be worth my time, and all praised Simplified Divorce Kit:

3 of 3 people found the following review helpful. Waste of money!By Scott CronThis was the biggest waste of money and time I have ever spent. The DVD didn't include a single form that I needed to even begin my divorce. I couldn't see that it included forms for any state - I tried to find forms from other states to adopt to my needs. All of the info here was readily available on the internet and in fact, I found all of the forms I needed completely free on one site. Don't waste your money on this kit - it's worthless.

Clear and understandable instructions help ease the pain and confusion that often accompany divorce.
