Keith Maderer : Simplify Your Estate - Basic Documents Simplified before purchasing it in order to gage whether or not it would be worth my time, and all praised Simplify Your Estate - Basic Documents Simplified:

Common Sense Estate Planning Solutions For Baby Boomers, Their Parents... And Their Children. Save Time, Money, Arguments And Headaches In The Process. The problem with estate planning for most people, is that it is too complicated. The purpose of this book is to simplify the process and offer common sense strategies that will help you

to save time, money and reduce the stress involved in planning your estate. Every year, hundreds of thousands of individuals die without proper estate plans in place. My objective is to make the process so simple, so structured and so easy to accomplish that anyone can do it, and do it well in a matter of days. Whether your estate is small or very large, whether you are already there or plan to be in the future, preparing some basic estate plan documents will help your family handle any issues that might arise.
