Freida Wright : Single Mom Vs. Bad Dad the U.S. Family Court before purchasing it in order to gage whether or not it would be worth my time, and all praised Single Mom Vs. Bad Dad the U.S. Family Court:

2 of 2 people found the following review helpful. Good study, very enlightning!By Dr. Johnson C. PhilipHuman relationship is a very simple and dynamic affair, ask anyone who has ever loved someone else. Human relationship is also complex and tedious affair, ask anyone who has had to go through family courts.In this book the author sketches the unintended consequences going through family courts. While laws have been made to benefit the society, no law, -- howsoever comprehensive -- can ever give total and completely benevolent results. This book details some of

these complex problems one faces in family courts. Observation/Recommendation:*** Written with a clear understanding of the situation*** Written with sympathy to victims*** A very useful read 0 of 0 people found the following review helpful. Very important study about injustice in the court system concerning ...By Clarette Frank Very important study about injustice in the court system concerning allocation of child custody during divorce. They are making it nearly impossible for single moms to support their children as in order to get custody many women are forced to give up child support.

The last resort for American parents in conflict is the U.S. Family Court. Many women find that although they leave their partners to make a better life for their children, the problems they faced in their relationship alcohol abuse, drug use and domestic violence follow them and continue to negatively affect their family. Sadly, the family court doesn't just fail to protect these women, it also punishes those who fight the hardest for their cause. And what were left with is a system that ultimately fails the one thing these mothers trust it will defend their children. Don't believe it? Look inside to discover what single moms are up against when they face a bad dad in the U.S Family Courts.
