**Arnold S. Goldstein : So Sue Me! How to Protect Your Assets from the Lawsuit Explosion** before purchasing it in order to gauge whether or not it would be worth my time, and all praised So Sue Me! How to Protect Your Assets from the Lawsuit Explosion:

0 of 0 people found the following review helpful. Great book. Easy read and very informative By Daniel G. Tissebaum Great book. Easy read and very informative. 0 of 0 people found the following review helpful. 5 stars for this one! By Cheryl RA lot of great advice! Makes good sense for protecting your assets! Sure made us feel that having

an Estate Plan done would be good for us - should have done it years ago! We listened to too many naysayers back then! 0 of 0 people found the following review helpful. Gives some good information. By Waldemar V. Vega Great book! It provided me with the information that I was looking for and is an easy read. Not every book has all of the information that you may need, but it is definitely a good start.

It is important to protect yourself before you get sued; advanced planning is important. Don't forget that asset protection is a form of insurance buy it before you need it.
