Wolters Kluwer Law Business Attorney Editors : Social Security Benefits Including Medicare, 2013 Edition
before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Security Benefits Including Medicare, 2013 Edition:

The 2013 Edition of Social Security Benefits Including Medicare provides a concise but helpful explanation of the complex rules governing the Social Security retirement, survivors, and disability benefits programs. The booklet pays particular attention to retirement benefits and Parts A, B, C and D of the Medicare program. It details eligibility requirements and explains how monthly benefit amounts are based on the Social Security taxes paid during working years. It reflects benefit amounts, the taxable earnings base and other variables set forth by the Social Security Administration for the upcoming year, which will enable retirees to compute the amount of their benefits. In addition, the booklet will provide retirees with an understanding of the tax treatment of their benefits, factors that can reduce benefits, and the impact of events, such as divorce, on benefits. Finally, the discussion contains numerous examples, all of which have been updated to reflect 2013 figures and rules, including the increase in the full retirement age and expiration of the payroll tax holiday.
