**Allegra, Francis M. : Software and the Law: Reference Guide for Software Patents** before purchasing it in order to gage whether or not it would be worth my time, and all praised Software and the Law: Reference Guide for Software Patents:

Software and the Law: Reference Guide For Software Patents provides an in-depth examination of the legal issues typically surrounding software patents. Written in a straightforward and easy-to-understand style, the text presents

expert analysis of how software is being treated by the courts, focusing on important recent Supreme Court cases such as Alice Corp. and Limelight.
