Richard Kent, John Steinbreder : Solomon's Choice: A Guide to Custody for Ex-Husbands, Spurned Partners, and Forgotten Grandparents before purchasing it in order to gage whether or not it would be worth my time, and all praised Solomon's Choice: A Guide to Custody for Ex-Husbands, Spurned Partners, and Forgotten Grandparents:

0 of 0 people found the following review helpful. Two StarsBy beryleWas hoping for more helpful information. Instead this book was an overview of what has happened to other people.0 of 0 people found the following review

helpful. Not comprehensive enoughBy J Richmondonly gave it a three since there was not enough detail, especially with regard to grandparents. Otherwise, it's okay.Joanne Richmond0 of 2 people found the following review helpful. Good book and quite informativeBy OppI learned a lot about how people go through a divorce and that often the right parent does not get custody.That is a shame.I wish that things changed.

Solomon's Choice will help "disenfranchised" parents and grandparents who are facing a battle over the custody of their children. Specifically addressing the needs of fathers, separated gay parents and grandparents, the book contains anecdotes from those who have both failed and succeeded in gaining custody of their children or grandchildren, as well as a list of the dos and don'ts of successfully waging a custody battle.

About the AuthorRichard Kent is an attorney living in Westport, Connecticut, who specializes in family law. John Steinbreder is a former staff writer for Fortune Magazine and contributing writer for Sports Illustrated. The author of six books, he lives in Easton, Connecticut.
