**Rociu Daniel Eduard : Space Law: Treaties and Principles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Space Law: Treaties and Principles:

0 of 0 people found the following review helpful. Nice edited book. All important texts in the Space Law area.By Clifford J. HarrisEasy to carry, all together for teachers, students as well as law specialists. Till now had no idea that there are so many provisions in this field. Happy to have it as well.

Third Edition published on June 23, 2015.
