Law Society of Upper Canada : Special Lectures 2010: A Medical-Legal Approach to Estate Planning and Decision Making for Older Clients (Law Society of Upper Canada Special Lectures) before purchasing it in order to gage whether or not it would be worth my time, and all praised Special Lectures 2010: A Medical-Legal Approach

to Estate Planning and Decision Making for Older Clients (Law Society of Upper Canada Special Lectures):

This year's volume contains an interdisciplinary, medical-legal program that was designed to teach legal professionals how their practices can benefit from the synergies that exist among the legal, health, and care-giving professions when advising the increasing population of older adults and their families in matters relating to estate planning, decision making and dispute resolution.
