Adam Epstein : Sports Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Sports Law:

0 of 0 people found the following review helpful. Five StarsBy Krystal EsparzaFast shipping and for a great price!0 of 0 people found the following review helpful. Five StarsBy Hubert MaysAwesome book0 of 2 people found the following review helpful. Easy to understand general idea of sports lawBy SSanLeeEasy to understand general idea of sports law with relevant cases.Each chapter is relatively shot but explain important issues and idea very well. I recommend this book for starter.

This text introduces and builds upon the relationship between law and sports for undergraduate students and persons who may not have a background in law. Unlike other sports law texts, it focuses on teaching the fundamentals and provides real-world insights rather than offering cases with little substance. The book is well-organized and helps students not only understand the legal issues facing many players in the sports industry, but how to pursue involvement as a professional. With numerous Web sites and other references, students can conduct further research in specific areas. Many recent cases are also presented to help students discern the latest judicial analyses in this

fascinating study of sports law.

Chapter 1: Sports Agents. Chapter 2: Sports Contracts. Chapter 3: Sports Torts. Chapter 4: Sports Crimes. Chapter 5: Title IX and other Women's Issues. Chapter 6: Disabilities and Sports. Chapter 7: Drugs and Sports. Chapter 8: International Sports Issues. Chapter 9: Antitrust and Labor Issues in Sports. Chapter 10: Intellectual Property Issues in Sports. Chapter 11: Alternative Dispute Resolution in Sports. Chapter 12: Religion and Sports
