Frederick W. Daily : Stand Up to the IRS before purchasing it in order to gage whether or not it would be worth my time, and all praised Stand Up to the IRS:

2 of 2 people found the following review helpful. Informative clear and succinct!By David GarberI opened it up and started reading....surprisingly, I couldn't put it down. A tremendous source of information how the IRS conducts its exams and audits, told in a humorous but factual manner. Mr. Daily brings a clear and fresh view to this arcane area of taxes.Unfortunately, too many people have been audited and intimidated by the IRS, so this book offers practical and effective methods of dealing with the IRS, blunting their power, and giving the taxpayer somewhat of a chance to reduce, if not eliminate, the taxes and penalties assessed by over-reaching Revenue Agents.1 of 1 people found the following review helpful. A great resource for those looking to know their rights with the IRSBy Paul R. MillerNolo doesn't disappoint again: I am an attorney who is getting his masters in tax law (LLM), and I recently took an in-depth course on the ins and outs of the audit process, appeals, and contesting IRS actions taught by two IRS attorneys. This

book covered much of the same information taught by my professors, and gives most lay people a great overview of the process, and can provide them with more information to make an informed decision whether to try to defend their audit themselves or bring in a professional. 0 of 0 people found the following review helpful. Take on Goliath Yourself By WILLIAM MCGARYI thought there was some way to find a crash course on dealing with back taxes and at the same time not blindly depend on those seasoned radio ads aimed at tax debtors. Eureka! This book is it. It's everything you want from picking the brain of a tax attorney. I felt like David ready to take on Goliath. I was not able to put this book down.

IRS Bills? Get the information and strategies you need to deal with the taxman. Named a "Best Tax Book" by Entrepreneur.com The Internal Revenue Service is the taxpayer's worst nightmare, and for good reason -- a tax bill or other notice can come out of nowhere and wreak havoc on your life. But now you can confront America's most intimidating government agency with confidence. Stand Up to the IRS reveals the tactics used by IRS and how to deal with them. This book even contains confidential forms used by IRS agents during collection interviews and audits. Use Stand Up to the IRS to: file a late return work out a long-term payment plan get a Taxpayer Assistance Order settle your tax bill for pennies on the dollar stop collection efforts avoid property seizures protect your assets determine if bankruptcy offers a solution learn what to say when you face an auditor appeal the auditor's decision This edition is completely updated with the latest rules, regulations and tax numbers. Plus, Stand Up to the IRS also shows you how to go to Tax Court, if it's ever needed.

.com For most honest citizens, there's probably nothing more intimidating than being called in for an audit with the IRS. In Stand Up to the IRS, tax attorney Fred Daily shows you what you need to know to prepare for and survive an audit. Daily explains how the IRS works and offers advice on everything from who should attend the audit with you to strategies on protecting your assets from the IRS. Tax attorney Frederick W. Daily surveys a panorama of defensive moves to keep the tax wolf from the door. Publishers Weekly
