Richard Warren Rappaport : STAR!: Finding Artistic and Commercial Success in the New Entertainment Industry before purchasing it in order to gage whether or not it would be worth my time, and all praised STAR!: Finding Artistic and Commercial Success in the New Entertainment Industry:

Covering all major genres of entertainment, Star! provides a unique overview of the artistic, business and legal aspects

of the entertainment industry. It features in-depth interviews with some of the most prominent attorneys in the country practicing in entertainment law today, and interviews with experienced industry professionals in the world of entertainment. Taken together you'll learn the delicate balance between artistry and commercialism on the path to success within the industry.

"Required reading and an inspiration for those pursuing a career in film, television, music, and the new media."-Pat Quinn, Quinn Media Management, Los Angeles; Adjunct Faculty, Dodge College of Film and Media Arts, Chapman University "A unique and refreshing approach to the complexity of the entertainment industry."-Peter Dekom, Esq., A Law Corporation, Los Angeles "Read this book and don't turn back!
