Dorothy Secol : Starting and Managing Your Own Business: A Freelancing Guide for Paralegals (Paralegal Practice Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Starting and Managing Your Own Business: A Freelancing Guide for Paralegals (Paralegal Practice Library):

Author Dorothy Secol, a freelance paralegal with over a dozen years of experience, offers helpful guidance on all phases of operating as an independent contractor, including marketing, billing, setting up an office and determining which assignments will be most profitable. Sample retainer agreements, charts, letters, and forms are included.
