Robert W. Sheehan, Michael S. Schwartz : Stocker on Drawing Wills and Trusts (November 2016 Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Stocker on Drawing Wills and Trusts (November 2016 Edition):

Stocker on Drawing Wills and Trusts has been a staple in the library of attorneys and estate planners for more than 50 years. This latest volume offers uniquely clear, field-tested drafting guidance that ensures wills, trusts and other estate planning documents fully express clients wishes without provoking costly legal challenges. The book is updated regularly to account for the latest developments in the field. The new 14th edition of Stocker is enhanced by hundreds of labor-saving sample forms and clauses, giving you the necessary skills to help clients capitalize on the full range of tax-saving and non-tax opportunities. They include: pinpointing clients concerns and goals before drafting translating
