foolishly read book 3 first but this still had me on the edge of my seat. Great job at keeping me wondering who the bad guy was. The suspense kept me reading too long into the night.

This book contains proven steps and strategies on how to successfully execute estate planning by learning the different mistakes that celebrities made in their own estate plan. Every case of celebrity mistake discussed in this ebook also carries an important estate planning lesson you can use. Please be mindful that the sooner you make an estate plan, the better. Procrastinating in estate planning should be avoided. Each chapter of this book focuses on an estate planning error of different celebrities and well-known individuals. There are stories that will teach you about dying without a will, not updating a will and naming the appropriate guardian for your children. There is also a chapter that will guide you through estate taxes and probate court.
