Deborah E. Roser, Peggy R. Hoyt : Straight Talk! What to Do When Someone Dies before purchasing it in order to gage whether or not it would be worth my time, and all praised Straight Talk! What to Do When Someone Dies:

0 of 1 people found the following review helpful. Good productBy SamThis case is reasonably good looking, fits well, and is very inexpensive. It is a little slick, but not overly slick, so the risk of dropping the phone is not too high.

Do you know what to do when someone dies? Losing a loved one is one of life's most difficult experiences. There are so many conflicting emotions and yet, if you have the responsibility as a successor trustee or personal representative

there's so much to do. Where do you begin? Who can you trust? Where do you turn to get your questions answered? **Straight Talk! What To Do When Someone Dies** provides you with insight about the things you should be doing, how to speak the language, who to trust and ultimately how to get the results you (and your loved one) intend. In their straight forward, easy to read style, Peggy Hoyt and Debbie Roser will answer your questions and help you navigate your fiduciary responsibilities, including what you should and shouldn't be doing during the administration process. They will help you understand probate, trust administration and the important differences between Wills and Trusts. You'll learn how to prepare your own estate plan for your loved ones to prevent unexpected results, including the costs of estate planning (or not planning), and why how you own your property is so important. **Straight Talk! What To Do When Someone Dies** is a must read for everyone who has ever lost a loved one or might lose a loved one someday!
