Gives some very helpful test strategies and hints specific to the MPRE, and then packs in almost 200 previously-used test questions with detailed answers and explanations. 2 of 2 people found the following review helpful. but this one is my favorite. I personally find it better than the Barbri ... By Helen Truong I have read many MPRE books, but this one is my favorite. I personally find it better than the Barbri MPRE review because this book gives you clues and tricks to avoid picking the answer that "looks attractive, but wrong." 0 of 0 people found the following review helpful. great because it has lots of explanations. By janegreat because it has lots of explanations, which i find most helpful to getting multiple choice questions on the mpre or bar correct, since they require more than just straight memorization. but you can also get similar explanations through the free mpre courses offered by bar study services
