would be worth my time, and all praised *Strategies for Family Law in California, 2013 ed.: Leading Lawyers on Understanding Developments in California Family Law (Inside the Minds)*:

Strategies for Family Law in California provides an authoritative, insider's perspective on navigating the nuances of California family law. Featuring partners and chairs from leading law firms in the state of California, this book discusses trends in child custody, child support, and spousal maintenance. These top lawyers examine new developments such as genetic testing and same-sex marriage and analyze how these issues are likely to affect family law cases. Additionally, these leaders discuss different approaches to marriage dissolution, such as mediation and collaborative divorce, and in which situations each approach is most likely to work. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this ever-changing field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Mark B. Baer, Attorney, Mark B. Baer Inc.
