before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Strategies for Family Law in California*, 2016 ed. *Leading Lawyers on Understanding Developments in California Family Law (Inside the Minds)*:

Dealing with divorce, custody, paternity, and other family law issues is often an emotional process for everyone involved. These cases profoundly affect the lives of people on both sides as well as their children. Factors such as the presence of offshore funds, issues regarding the date of separation, and retirement benefits also complicate matters from a legal perspective. *Strategies for Family Law in California* offers the perspective and advice of lawyers who have spent years honing their understanding of such factors. These authors analyze the recent changes in California family law, from new definitions of "familial relationship" to different ways to characterize property, and give their insights about where the field is likely to go in the future. They also provide guidance about which cases can be settled out-of-court and which are likely to require all the skills a trial lawyer can bring to bear. When navigating family law, attorneys on either side of a case will find this book a valuable resource. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Daniel J. Jaffe, Founding Partner, Jaffe and Clemens "Implications of Offshore Funds on Divorce and Taxes" 2. Stephen A. Kolodny, President, Kolodny Law Group "The Importance of Utilizing Trial Lawyer Skills in California Family Law Cases" 3. Mark A. Krasner, Co-Founder and Shareholder, Blanchard Krasner French APC "Recent Changes to California Family Law and Strategies for Addressing the Challenges Facing the California Family Law Lawyer" 4.
