before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Strategies for Family Law in Florida*, 2014 ed.: *Leading Lawyers on Working with Clients, Creating an Effective Strategy, and Handling Complex Cases (Inside the Minds)*:

Strategies for Family Law in Florida provides an authoritative, insider's perspective on key strategies for representing clients in a wide variety of family law cases in Florida. Partners from some of the state's leading law firms guide the reader through the process of developing a successful strategy, starting from the initial client meeting to the settlement of the case. These top lawyers offer advice on effectively handling complicated cases, avoiding common mistakes, and identifying client misconceptions about the process. Covering topics from mediation to the collaborative law process, these leaders examine the various alternatives to litigation and explain which dispute resolution method works best for different types of cases. This book also discusses emerging legislative activity in the state, as well as recent Florida family law decisions and that attorneys should be aware of. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this challenging field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Rebecca L.
