before purchasing it in order to gauge whether or not it would be worth my time, and all praised Strategies for Family Law in Florida, 2015 edition: Leading Lawyers on Working with Clients, Creating an Effective Strategy, and Handling Complex Cases (Inside the Minds):

Recent trends and developments in Florida family law have greatly expanded the scope and complexity of the entire practice area. And the stakes have never been higher-not simply in monetary terms, but in terms of family building, time sharing, and relocation. Fortunately, with the expert guidance provided in Strategies for Family Law in Florida, you now have the advantage, as some of the state's leading practitioners offer up best practices for addressing complicated and emotionally charged disputes involving: Parental rights through dissolution of same-sex marriages
Appropriate classification of alimony-i.e., temporary, bridge-the-gap, rehabilitative, durational, lump sum, and permanent periodic
Asset valuation of marital and non-marital assets
The attorney's role in leveraging a well-drafted financial affidavit
This edition has been updated to reflect the latest thinking in Florida family law representation, and shines a light on developing trends in best practices that every practitioner must be aware of. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1.
