Auster This book gives an incoming first year law student the leg up that they need to feel confident. Part of the stress of the 1L year is not knowing how to handle the material

that you are learning, this book gives you the tools necessary to immediately start getting value from your class assignments. The best part of this book is that it gives you helpful information in small well organized segments that won't overwhelm you. It also is organized to track your semester, beginning with tips on studying and ending with exams. I highly recommend this books and all the Strategies Tactics books to help you succeed in law school.0 of 0 people found the following review helpful. Five StarsBy CustomerRequired reading
