**Routledge-Cavendish, Cavendish Publishing Limited : Succession (Lawcards)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Succession (Lawcards):

Cavendish LawCards are complete, pocket-sized guides to key examinable areas of the law for both undergraduate and PGDL courses. Their concise text, user-friendly layout and compact format make Cavendish LawCards the ideal revision aid for identifying, understanding, and committing to memory the salient points of each area of law.
