Puts everything in perspective.By JohnMy Family Law course tended to present everything at the same frequency making it a challenge to sort the most important from the exceptions, etc. Sum and Substance was just what I needed to fill everything in. It was also a great review for the final. I ended up with a very good grade in the course.0 of 0 people found the following review helpful. ExcellentBy OK2A fanI received this title on time and the discription was spot on. I will be utilizing this service again. Anytime one orders from an unknown source there can be trepidation; however, there is an ease or calm the come about when

things work out. There is even a trust that builds.

Sum and Substance Quick Review is a short, clear, concise, and substantive outline. It is designed to make the study of law clear and convenient, and it is designed to help students prepare for their law school exams. The main body is an outline of the substantive content that a student needs to prepare for a law school exam. The concise format provides a "Big Picture" overview allowing students to review the subject quickly prior to final exams.
