3 of 3 people found the following review helpful. More harm than good By Henry Campbell Black Figueroa begins the preface to his dictionary by saying that there was a need for a dictionary of legal terms in Spanish and English since none were recently published. (His dictionary was copyrighted in 2004.) However, there were at least 25 such dictionaries published between 1990 and 2004. This narrow view is indicative of what's inside of his dictionary: it is mostly a glossary with only a few cursory definitions sprinkled throughout and the translated terms that are offered are not very good. This dictionary seems more like a first draft rather than a published work. Stay away from this one. If you want a good English-Spanish law dictionary go with any of the following authors: Cabanellas de las Cuevas/Hoague, Becerra, Alcaraz-Var/Hughes, Antonio Ramirez or Mazzucco/Maranghello.
