Surviving DivorceBy LORIEExcellent help book on getting through the steps of a divorce.The book is very simple to read and understand and help you with any questions.0 of 0 people found the following review helpful. Brilliant WisdomBy MMTAs a reader and former client of John Hollins, Jr., I recommend his book most highly. Laid out in pithy phrases, "Surviving Divorce" neatly encapsulates everything that you need to know in order to cope with the emotional brutality of divorce and emerge as a stronger person. Some phrases are elegantly simple, while others are imbued with rich, brilliant wisdom, like multi-faceted diamonds that split light into a prism of primary colors that were not apparent at first glance. As important as it is to read the book and reflect on it often, it's even more critical to actually do exactly what it says, at every step of the way, as you go through your divorce. Failure to heed John's wisdom could be costly and catastrophic for yourself and your children. Perhaps the most valuable advice, for me personally, was to maintain my composure, no matter how outrageous things got. It was also the hardest to follow. But the way John Hollins explains it in the context of the book was convincing, so I got the message, and got through my divorce in a fair, ethical manner. "Surviving Divorce" will

show you how truth, ethics, and reasonableness are your most powerful allies in a divorce. The biggest mistake you can make is trying dirty tricks that you read on the internet. Judges will punish you harshly if you do it. But if you want an authoritative source of real wisdom and ethical tactics that work, read this book.

Surviving Divorce is a practical and easy-to-use guide to the legal process of divorce and its many complications. In clear, straightforward language, this book explains what the laws of divorce and custody mean and how they work. It also includes common-sense advice to help individuals and their families weather the physical, emotional, and spiritual stresses of divorcing. From finding a lawyer to final decree, Surviving Divorce, is an invaluable source of information, guidance, and support. "This is the best and most practical advice I have ever read on this subject. John Hollins, Jr. takes you through every step of the process with compassion and common sense." ~ Fred Dalton Thompson Former U.S. Senator, actor, and prominent trial attorney "A comprehensive collection of sage advice to people going through the divorce process. If followed, outcomes should be improved and the quality of one's life should be enhanced as well." ~ Marlene Eskind Moses Former President of the American Academy of Matrimonial Lawyers and noted family law attorney
