before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Taking Psychology and Law into the Twenty-First Century (Perspectives in Law Psychology)*:

In this volume top scholars contribute chapters covering a wide range of topics including jurisprudence, competency, children, forensic risk assessment, eyewitness testimony, jurors and juries, lawsuits, and civil law. Also included is an introductory chapter by the editor. The result is a unique and comprehensive treatment of the issues at the confluence of these disciplines.
