Half of our class didn't have it. Quick shipping, perfect condition in my opinion as well.0 of 0 people found the following review helpful. Book of casesBy Emani0119Gave

me a pretty good understanding of the constitution by relating to different cases. It was very easy to understand. 0 of 0 people found the following review helpful. GreatBy Jeff VillanuevaBook arrive extremely quickly. Great work

Taking Sides volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with Learning Outcomes, an Issue Summary, an Introduction, and an Exploring the Issue section featuring Critical Thinking and Reflection, Is There Common Ground?, and Additional Resources. Taking Sides readers also offer a Topic Guide and an annotated listing of Internet References for further consideration of the issues. An online Instructors Resource Guide with testing material is available for each volume. Using Taking Sides in the Classroom is also an excellent instructor resource.
