Patricia T. Morgan : Tax Procedure and Tax Fraud in a Nutshell (Nutshell Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tax Procedure and Tax Fraud in a Nutshell (Nutshell Series):

Reliable source on tax procedure and tax fraud helps bridge the gap between understanding "substantive" code provisions and preparing to represent a taxpayer in an Internal Revenue Service (IRS) dispute. Coverage includes IRS and treasury rulemaking; confidentiality and disclosure; audits and administrative appeals; statute of limitations; litigation considerations; penalties and collection process; liability; investigation; and tax crimes.
