**(author) Sharon K. Black : Telecommunications Law in the Internet Age (Morgan Kaufmann Series in Networking (Hardcover)) (Hardback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Telecommunications Law in the Internet Age (Morgan Kaufmann Series in Networking (Hardcover)) (Hardback) - Common:

Examines the complex interrelationships of laws, technologies, and business practices, and equips you with the practical understanding you need to run your enterprise optimally within legal boundaries. This work also explores telecommunications law in the US, at both the federal and state level.
