**Ian Lloyd, David Mellor : Telecommunications Law** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Telecommunications Law:

Lloyd and Mellor: Telecommunications Law is an important new text which covers all areas of telecommunications law in the UK. But since no examination of telecommunications can, in this new economy, look within a single country's borders, this key work offers a detailed account of the EU's telecommunications policy which increasingly

shapes national laws and policies.

About the Author Ian Lloyd L.L.B., L.L.M., Ph.D., Professor of Information Technology Law, University of Strathclyde David Mellor O.B.E., L.L.M., I.Eng, F.I.I.E., M.I.M.G.T., M.C.I.P.D., President, Cable and Wireless Virtual Academy and Chairman U.K.T.A.
