**Miles Mason Sr. : Tennessee Parenting Plans and Child Support Worksheets: Building a Constructive Future for Your Family** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tennessee Parenting Plans and Child Support Worksheets: Building a Constructive Future for Your Family:

2 of 2 people found the following review helpful. AN EXCELLENT RESOURCE FOR ALL INVOLVED IN DIVORCE PROCEEDINGS INVOLVING CHILDRENBy masstennattymmswAttorney Miles Mason's latest book is well worth having at hand for any attorney practicing in the area of divorces involving children as well as any individual facing divorce involving children in Tennessee. In the midst of all of the pain, fear, anxiety and other emotion attendant upon divorce, this book permits clients early on to see what the end of a divorce litigation will look

like. Divorces involving children in Tennessee will inevitably result in development of either three or four documents: a permanent plan, attached child support worksheets, a marital dissolution agreement (in most cases), and a final decree of divorce. Those documents will ultimately define the post-divorce legal relationship between each party and their children including their respective financial obligations pertaining to their children, distribution of assets and debts and spousal support (if any), and legal termination of their marriage. The book includes actual draft provisions compiled over many years of practice by the author which will assist clients in fashioning the unique provisions which fit the particular circumstances and individuals involved. It empowers the client to actively participate in what their future will look like after divorce. The author, also a certified public accountant, provides specific and usable information pertaining to child support and related financial matters. In addition, the well-written book and table of contents will permit both practitioners and clients to quickly locate answers to many questions which will likely arise in the midst of divorce litigation to provide clients knowledge to play an active role in fashioning their own future so that final documents reflect intelligent closure bearing their own imprint.

Tennessee Parenting Plans and Child Support Worksheets: Building a Constructive Future for Your Family Featuring actual examples of parenting plans and child support worksheets from real cases. Attorney Miles Mason has written a book that's a must-read for Tennessee parents contemplating or in the middle of divorce. It features actual examples of Parenting Plans and Child Support Worksheets from real cases. The author explains not only Tennessee's Parenting Plan Law but also shows how it's applied to situations divorcing parents will face, including: What to tell the kids, Coparenting dos and don'ts, Age-appropriate plans for infants, children, and teens, Handling holiday visitation and long-distance parenting, Calculating parenting "days", Tennessee's relocation law, Modifying parenting plans Attorney Mason also offers an overview and details about Tennessee's child support laws, including the documents needed to calculate day-to-day child support, and he'll explain how to craft long-range plans for college tuition. Divorce can be traumatic and upsetting for parents and especially their children, but Miles Mason offers parents the tools and knowledge he's gained as a divorce attorney over many years. This book will answer many parents' questions but will also prompt them to ask many questions-the many "what ifs" they'll need answers to as they craft a future for their postdivorce families.
