George McCall Secrest, Jr. : Texas Criminal Codes 2010-2011 before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Criminal Codes 2010-2011:

Be confident knowing that Mac Secrest selects all of the annotations. Not only is he the author, but he actually uses this book in the courtroom. Save time with annotations from controlling cases that interpret the codes. Never miss a deadline with comprehensive appellate timetables. Quickly find punishments, enhancements, and lesser included offenses with the charts. Get everything you need in one portable book.
