**Don Ellis McClure Jr. : Texas Divorce Survival Guide: What You Need To Know BEFORE You Even Consider Getting A Divorce** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Divorce Survival Guide: What You Need To Know BEFORE You Even Consider Getting A Divorce:

What you must know before you even think about divorce. You must be able to answer these top ten questions: - What you need to know to make a good decision? - What is the best way to financially plan for a divorce? - What is Conservatorship, Possession and Access? - How is child support calculated? - Are you entitled to spousal maintenance? - How does Texas handle the division of assets and debts? - How cell phones, computers and social media can destroy your case - Who should leave the house? - How does visitation work? - What is the process?

About the Author Don McClure understands what you are facing. He has been a litigator for more than twenty years. He is a former police officer and a Texas AM graduate. Educating yourself about divorce will help you to ease your anxiety and to smooth out some of the rough spots. Divorce is never easy, but you can have a smart divorce. You can have a divorce that doesn't emotionally cripple you or financially destroy you. Most of all, you can have a divorce that lessens the harmful impact on your children. There are many resources available, including this survival guide. Arm yourself with knowledge and you can rest assured that you will not only survive, but thrive.
