From West Group : Texas Probate Code 2010 (Texas Estates Code) before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Probate Code 2010 (Texas Estates Code):

1 of 1 people found the following review helpful. Terrible murder mysteryBy julienneAfter reading the Da Vinci Code I thought I would try some local color and give this Texas book a try. I was sorely disappointed as the characters are wooden and nameless and there aren't any nekkid scenes whatsoever. There's a lot of dead people involved, though, and creepy things. I don't want to ever encounter an incorporeal hereditament.Pros: Pretty good table of contents.Cons: Never found out how all them people died.
