From American Academy of Pediatrics : Textbook of Global Child Health, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Textbook of Global Child Health, 2nd Edition:

0 of 0 people found the following review helpful. awesome book.By varma1986Awesome book.

The second edition of the American Academy of Pediatrics Textbook of Global Child Health is pleased to contribute toward international efforts to improve the lives of the next generation. This new edition will help prepare and support

child health professionals as they join international efforts on behalf of children. A large multinational team of authors has joined together to produce the 2nd edition of this award-winning textbook, which focuses on 3 key areas: Foundational understanding of societal factors related to health and disease
Appropriate care of children traveling internationally
Clinical management of children in resource-limited areas
New in the 2nd edition: 29 updated chapters and sections
New chapters on cardiology, neurologic disorders, nephrology, emergency medicine and critical care, and hematology/oncology

About the Author Deepak M. Kamat, MD, PhD, FAAP, received his MD and PhD from the University of Bombay, India and then completed his residency in pediatrics and fellowship in pediatric immunology and bone marrow transplant at the University of Minnesota. He also served as the program director for the combined Medicine/Pediatrics program at the University of Minnesota. Currently, he is a professor at the Carman and Ann Adams Department of Pediatrics at the Childrens Hospital of Michigan and Wayne State University. He is also the vice chair of education, director of the Institute of Medical Education, and program director for the International Health Pathway and Pediatric Global Health Certificate program. Dr Kamat is honored with many teaching awards by medical students and residents at the University of Minnesota, at West Virginia University, and at the Childrens Hospital of Michigan/Wayne State University. He practices general pediatrics, clinical immunology, and international health. Dr Kamat is the lead editor of the Point-of-Care Quick Reference on Pediatric Care Online. He Kamat is appointed editor of the Index of Suspicion Section of Pediatrics in from July 2008, and he is an associate editor of the AAP Textbook of Pediatric Care.
