Rhona Smith : Textbook on International Human Rights before purchasing it in order to gage whether or not it would be worth my time, and all praised Textbook on International Human Rights:

Clearly written and broad in scope, Textbook on International Human Rights gives a concise introduction to international human rights, including regional systems of protection and the key substantive rights. The author skillfully guides students through the complexities of the subject, making it accessible to those with little or no prior legal knowledge. Key cases and areas of debate are highlighted throughout, and a wealth of references to cases and

further readings are provided at the end of each chapter.

About the Author Rhona Smith is Professor of International Human Rights at Northumbria University.
