American Bar Association : The American Bar Association Guide to Wills and Estates, Second Edition: Everything You Need to Know About Wills, Estates, Trusts, and Taxes (American Bar Association Guide to Wills Estates) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The American Bar Association Guide to Wills and Estates, Second Edition: Everything You Need to Know About Wills, Estates, Trusts, and Taxes (American Bar Association Guide to Wills Estates):

0 of 0 people found the following review helpful. GOOD GENERAL BOOK, NOT SPECIALIZED ENOUGH FOR MEBy kartateI needed one from the point of view of someone cut out of will. This book is aimed at the crowd making the will. And it's written very simply. It's a short book on a complex subject. I really need more specialized knowledge. For me this book is too general. But for \$5 it's a fair price.1 of 1 people found the following review helpful. nice bookBy Evelena L. Sponaugleinformative but dull unless that's what you're in the book did answer some of my questions but the legal jargon was still a bit much5 of 11 people found the following review helpful. Just What the Doctor OrderedBy Frederick SanbornThis is an excellent book. It answered all of my questions about handling my estate, and it answered many questions that never occurred to me. The writing is straightforward and easily understood. The title is THE AMERICAN BAR ASSOCIATION GUIDE TO WILLS AND TRUSTS, but it covers a good deal more: steps to help your family now; estate plans; avoiding or reducing estate taxes; transferring property without a will; securing long-term care help; and many other topics relating to managing your estate and passing it on to your heirs. This is a very useful book.

Estate planning is for everyone who wants to protect the ones they love.The American Bar Association Guide to Wills Estates, Second Edition, contains everything you need to know about planning an estate, preparing a will or trust, and minimizing inheritance taxes. Organized in easy-to-follow chapters with sidebars containing tips, checklists, and key information, this book will show you how to make plans that will be carried out exactly as you wish.The ABA Guide to Wills Estates will help you: Take steps to help your family now Determine what to put in your estate plan Decide whether to prepare a will, trust, or living trust Avoid or reduce estate taxes Change your plans if the law or your circumstances change Transfer property without a will with substitutes such as life insurance and joint tenancy Understand the benefits of living gifts and life insurance Choose an executor and trustee Ensure that your will won't be contested
